MERN Stack | React Native | Java | CGPA 8.1 | 5+ Projects | Defence Internship

EDUCATION

Prathyusha Engineering College (Autonomous)
B.E. Computer Science Engineering
St. Johns Matric Hr. Sec. School | HSC: 77% | SSLC: Completed

Chennai, Tamil Nadu
2023–2027 | CGPA: 8.1 (5th Sem)

TECHNICAL SKILLS

Languages: Java, JavaScript, HTML, CSS, SQL | **Frameworks:** React.js, React Native, Node.js, Express.js
Databases: MongoDB, Firebase Firestore, Supabase | **Tools:** Git, GitHub, VS Code, Postman, REST APIs
Concepts: Data Structures & Algorithms, OOP, DBMS, Agile Development

EXPERIENCE

HVF Avadi (Heavy Vehicles Factory) — *Software Intern* Jun 2024 | 2 Weeks | Chennai

- Built an Event Management Web App in PHP at a Govt. of India air-gapped defence facility.
- Delivered event listing & registration via PHP/MySQL, replacing manual notice-board processes.

PROJECTS

E-Commerce Web Application | MERN Stack Jan–Apr 2024

- Full-stack e-commerce with JWT auth and cart management — cut order tracking effort by ~70%.
- Express.js REST APIs achieve <200ms response via optimised MongoDB queries across 4+ categories.

City Flood AI App | MERN Stack Mar 2026

- Real-time flood dashboard: React.js UI, Express.js APIs, MongoDB alerts, AI severity model on Node.

Event Management App | React Native, Firebase Aug 2025

- React Native college app used by real students — Firestore live sync, Auth roles, 6+ screens in 4 wks.

Personal Portfolio & TodoList | MERN Stack 2023

- Deployed React.js portfolio + full-stack TodoList with JWT auth, MongoDB, and CRUD REST APIs.

CERTIFICATIONS

Diploma – Java Full Stack | NPTEL – Database Management System | NIELIT – Web Development
AWS – Fundamentals of Generative AI | HP LIFE – AI for Business Professional | PALS – Analyze Case Study (Personal Health Records)

ACHIEVEMENTS & LEADERSHIP

- Participated in SmartIndia Hackathon (national), RIFT Hackathon, Pals & Internal College Hackathon.
- Founded a college tech community — DSA workshops that upskilled 20+ members for competitive coding.
- Active competitive programmer on LeetCode & HackerRank; CGPA 8.1 while building 5+ live projects.
